Chapter 1: How You Approach Life and How You Appear To Others

Aquarius Rising:

Forward-looking and progressive, you are a person who supports change, innovation, and human advancement, and you are often strongly committed to a humanitarian cause or social improvement. You are extremely aware of the interconnection and interdependence of all people, and are always relating personal issues to some larger framework. You see the political or social ramifications of personal actions, and you wish to contribute something of value to the world, or at least to your community or group.

The ideals of equality, fairness, human rights, brotherhood, social justice, etc. color your whole outlook and approach to life. You are truly interested in the good of the whole and not only your own personal well-being.

Sometimes you may overlook or ignore your own and others' personal needs, desires, and feelings, especially if they do not conform to your ideals of how one SHOULD feel or act. Though you have little patience for conservative narrow-mindedness, you yourself are sometimes dogmatic about your beliefs and ideologies.

You are attracted to the avant-garde, the latest advances in human thought and development, and you are eclectic and cosmopolitan in your tastes. You may consider yourself a "global citizen" rather than claiming a narrow, limited identification based on nationality, race, familial heritage, etc. You are strongly influenced by your peer group and the flavor of the times in which you grew up, more so than by parental or family influences. You are involved and active in groups, community efforts, cultural and progressive movements.

On a personal level, you are friendly and express a kind of impersonal good will towards others. You probably have many acquaintances but few really close friends, and much of your closeness with others is based on a sharing of common ideals and principles, rather than on emotional ties. Others see you as a good friend and comrade, who is objective, fair, and rather detached emotionally. You do not often show your emotions, and may be unsure how to respond to others' emotional expression, for you tend to be very rational.

You are also very independent and refuse to be possessed by any individual. You are not comfortable with traditional sexual roles and are inclined to have "liberated" views about marriage, relationships, sharing of child rearing responsibilities, etc. You need to have a life outside of the personal, domestic sphere and to be involved with people on a broader scale. The nurturing of family ties, and close, deep, personal sharing may take a back seat to your work or outside social involvements.

Chapter 2: The Inner You: Your Real Motivation

Sun in Capricorn:

Serious, disciplined, and quietly ambitious, you are driven to prove yourself and to achieve material accomplishments and success. Your work, your position in the world, and your contributions to society are very important to you. You will persevere through enormous hardship and frustration in order to reach a goal you have set for yourself, and you often sacrifice much in the area of personal relationships and home life in order to do so.

You have a thoughtful, quiet, and self-contained disposition and do not readily show your inner feelings and

needs. You seem to be always in control, capable, efficient, and strong. You are often the person in the family or group who is given more responsibility (and more work) than the others. You are highly conscientious and even as a child you possessed a maturity, soberness, and worldly wisdom that was most unchildlike.

You are basically a pragmatic realist, and though you may have all sorts of dreams, ideals and colorful theories, you feel that the ultimate test of a concept is its practical usefulness. You have an innate shrewdness and business sense, and there is a bit of the cynic in you as well.

You are clear-headed, detached and objective, and are not swayed by emotional dramatics. Often you are authoritarian - strictly fair, but without mercy. You have a great respect for tradition and even if you do not agree with certain laws, you will abide by them or work to change them, but never flagrantly disregard them. Careful and conservative, you play by the rules.

You are subtle, understated, quiet, deep, not easy to know intimately, and never superficial. You are a modest person and sometimes overly self-critical. Giving yourself (and others) permission to feel, to play, to be spontaneous and silly, and to be weak and vulnerable sometimes, isn't easy for you.

Your strong points are your depth and thoroughness, patience, tenacity, and faithfulness. Your faults are a tendency to be rigid and inflexible, and too serious.

Sun in 12th house:

You tend to get involved in the helping professions or in activities where your efforts are hidden, behind the scenes, unacknowledged, or unknown to the public. Asserting yourself or getting up in front of an audience may be exceedingly uncomfortable for you.

Sun Conjunct Venus:

You are loving and well-loved by others, and have a strong need for kindness, friendship, and affection. Your artistic and creative powers are also well developed and you do everything in a harmonious, gracious, pleasing manner. Aesthetics are very important to you. Your personal appearance and attractiveness are also very important to you.

Sun Square Mars:

You are direct, energetic, sometimes aggressive and combative. You often feel that you need to fight to get what you want and you tend to have a "me-first" attitude that angers or irritates others. You are hasty, restless, impatient, and sometimes reckless.

Sun Trine Moon:

You feel that you have the support of your family or others in your environment for your creative efforts and personal goals, which enables you to act with confidence. You are able to satisfy both your need to be an individual, and your need for caring relationships and a sense of belonging. You are in harmony with yourself and are therefore an effective individual.

Sun Sextile Saturn:

Realistic and practical, you set goals for yourself that are modest enough for you to actually achieve. You are able to tackle long, difficult projects and see them through, for you possess self-discipline, concentration, and perseverance. You also have a strong sense of responsibility and are very conscientious in fulfilling your obligations. Often you do things because you feel it is expected of you.

Chapter 3: Mental Interests and Abilities

Mercury in Capricorn:

Clear, objective, and realistic, you are unimpressed by exaggerated claims or promises. You insist upon being shown facts to back up any statement you hear, and your natural skepticism often borders on cynicism. You approach problems clearly and rationally and maintain your poise and objectivity even in the midst of critical situations. Anyone seeking your advice is certain to get an unemotional and unbiased assessment of their situation, and you therefore make a good arbitrator or judge. You are thorough, conscientious, and disciplined in your thinking, and have an aptitude for business, organization, and administration. You are also a good strategist, and will plan and patiently follow a realistic course which will lead to your eventual success. Serious-minded and studious, you enjoy quiet time alone for thinking or reading.

Mercury in 12th house:

You don't speak up readily, even when you have a lot to say! Also, your mind tends to drift and you find it difficult to study very factual material that doesn't have much color or imaginative appeal. Your intuition and first impressions are likely to be quite accurate, however, and you tend to depend upon this faculty in making decisions.

Mercury Conjunct Venus:

You appreciate aesthetics and have a fine sense of form, design, and beauty. You could develop considerable technical skill as an artist, designer, craftsman, or creative writer. You could also sell objects of beauty - artistic products, cosmetics, jewelry, etc.

You have the ability to please and harmonize well with others and tend to ameliorate relationships between people. Your sense of humor, tact, and personal charm are of great benefit to you in any work with people on a one-to-one level.

Chapter 4: Emotions: Moods, Feelings, Romance

Moon in Taurus:

Even tempered and peace loving, you are not easily ruffled and are rarely given to emotional displays. You have a calming effect on more high-strung or volatile people, and an emotional steadiness that others find soothing. Though gentle and not easily provoked, you are tremendously stubborn and will resist any change which requires an emotional adjustment, such as changes in your home life or marriage.

You seek security and loyalty in love, are extremely devoted to your loved ones, and provide a warm, nurturing atmosphere for them. However, you tend to cling and seek to keep others from changing.

A great deal of physical affection, closeness, and touching is essential to your well-being, and you have a tendency to overindulge in sensual comforts and pleasures. At times you substitute food for emotional comfort and love.

Moon in 3rd house:

You often make decisions solely for emotional or personal reasons, because something "feels right" or because you've always done it a certain way and you are uncomfortable changing it. Even when you think you're being rational, your prejudices, intuitions, and feelings influence your thoughts a great deal. You are comfortable talking about feelings and personal subjects, and sharing confidences, which enables others to express their own inner feelings with you as well. You have good psychological insight into others.

Moon Opposition Saturn:

You often feel that you must do something or be something other than what you are in order to receive approval and acceptance from others. You are very sensitive to criticism and easily feel left out or neglected, and though you may appear cool or distant, you actually care very much about being included. Because you are so sensitive, it may seem easier for you to withdraw into a shell rather than risk the emotional bumps and bruises that can occur when you let others really know you in an intimate, personal way. Your reserve and caution make establishing a close emotional rapport with others difficult for you, and you become very attached to the few people you consider "real friends". You can gain inner security and strength through periods of solitude if you view them as times to nourish yourself and develop your own interests, rather than as times of loneliness.

Moon Trine Venus:

You feel that little, daily acts of caring and thoughtfulness are essential to the happiness and success of a relationship and you know how to make others feel accepted, loved, and cherished. You enjoy good relationships with women.

Moon Sextile Jupiter:

You are easygoing, agreeable, and tolerant, willing to overlook others' mistakes, forget the past, and begin again on a positive note. You enjoy making others comfortable and happy, and sometimes overdo your generosity. You often feel that "everything will turn out all right no matter what I do", and so become lazy and lackadaisical.

Venus in Capricorn:

You are definitely not one to wear your heart on your sleeve. You care very much about others' opinions and crave love and appreciation as much as anyone, but one would never know it from your reserved and seemingly detached appearance. Casual, superficial relationships don't interest you at all. You are cautious and serious about love and really desire a deep, genuine, lasting love. You are old-fashioned about courtship and love, and will remain faithful to your loved one in good times and in bad.

You may be attracted to persons older than yourself, someone who is emotionally mature and reliable and who can provide the security you desire.

Venus in 12th house:

You often hide your affection, or find your feelings difficult to express or get across to the person you love. Being openly affectionate and trusting often doesn't seem safe to you. You may feel your love won't be appreciated or reciprocated. You may get involved in secret love affairs or fall in love with a person who is quite unavailable to you. Love and sacrifice often seem to go hand in hand for you - having to give something up to be with the one you love, or having to relinquish some person or some aspect of an important love relationship.

Venus Sextile Saturn:

Loyalty, fidelity, and security are very important to you in love. You are cautious about giving your heart away but true to the one who does win your love. Your tastes are simple, even austere, and you do not appreciate frivolity. You are interested in a person's character and inner qualities far more than their appearance. Casual or superficial relationships don't interest you at all, for love seems to get deeper and richer and more satisfying for you with time.

Chapter 5: Drive and Ambition: How You Achieve Your Goals

Mars in Libra:

You seesaw between being too pushy, confrontational, and insistent on doing things your way, and being too eager to please, without a clear, definite goal of your own. You strive for a balance between acting independently and assertively - and working cooperatively and interdependently with others. You may feel frustrated at times that you cannot simply do what YOU want to, that you must always accommodate the needs and desires of others. Or you may feel hesitant to act in a positive, assertive manner if you do not have the support and approval of other people. Either way, you are not a loner. You achieve your goals by collaborating and joining forces with others, by being a team player. You are very concerned with the concept of fairness and become quite indignant and vocal if you sense someone is being taken advantage of. You avoid extremism and favor a balanced, moderate approach to living. You are unlikely to push yourself too hard or to become fanatically driven to reach your goals.

Mars in 8th house:

You meet numerous challenges and possibly defeats in pursuit of your goals and desires, and your setbacks often occur because you've been too rash or intent on working your own will regardless of the impact on others. You are intense and passionate, and simply don't know when to stop sometimes! Recklessness with others can be a problem for you.

Mars Square Jupiter:

You are enterprising, ambitious, and have a strong desire to succeed in a big way. Ever on the look out for new opportunities and promising new ventures, you are willing to take risks if you sense that something is going to be a winner. No matter how much you accomplish, you never seem to be completely satisfied. You always feel you can do more, and set your sights on another goal. You feel frustrated in limited circumstances, and you will leave secure and reasonably successful situations if they do not offer challenges and potential for growth and expansion in the future. You like to keep stretching your limits, to see how far you can go. Sometimes you over-extend yourself or promise more than you can actually achieve, due to an overly optimistic or overly confident assessment of your own capacities. You relish healthy competition and feel that it spurs you on to even greater achievements.

Mars Square Pluto:

You have a powerful will and when you want something, you pursue it passionately and relentlessly until you achieve it. You may be so driven by your desire that you lose all objectivity. You often become compulsive, even obsessed, with doing or achieving something, no matter what the costs or how hard you must work for it. Your forcefulness may be veiled or subtle, for often you do not reveal your real aims and intentions to others until they cross you. Intense power struggles and relationships with a strong dominance/submissiveness theme are likely. You have enormous energy reserves, and are capable of extraordinary effort and great achievement if you use your energies for constructive purposes.

Chapter 6: Other Influences

Jupiter in Cancer:

You make others feel accepted and comfortable. You have a knack for breaking down feelings of alienation and you make others feel included and a part of group activities. You have a loving, protective side that wants to take care of everyone. Creating a supportive atmosphere that is nourishing both to yourself and to others is one of your strengths.

Also, your home and heritage are important to you, and you maintain close connections to your past.

Jupiter in 6th house:

You have a positive and constructive attitude toward work and what other people might consider drudgery. You enjoy helping people improve their lives, and the more service you render, the more benefits and rewards you find coming back to you. Promoting health in some manner is a very good avenue for you.

Jupiter Opposition Pluto:

Your fortunes are apt to fluctuate wildly throughout your life. You can make and lose fortunes rather easily, due to your risk-taking, speculating, and rather adventurous entrepreneurial endeavors. No matter how modest or "normal" your appearance, you are actually inordinately ambitious, and lucky. You need a large international arena in order to fulfill your ambitious and capacities. World travel and foreign exchange figures prominently in this.

Saturn in Scorpio:

You both yearn for, and fear, being emotionally vulnerable with others and experiencing deep emotional intimacy. Trusting others and letting yourself be known in a deep way doesn't come easily to you, and sexual inhibitions may result from this. You are very self-protective and may be compulsively secretive. Learning to relinquish control in personal relationships, and to be completely open, are important tasks for you.

Saturn in 9th house:

Your attitude toward religion, philosophy, and politics is very conservative and possibly narrow or rigid. On the one hand, you may believe in nothing that is speculative or intangible, requiring proof for any idea presented to you. Each idea is thoroughly and systematically examined. On the other hand, you may tenaciously cling to your grand philosophical or metaphysical beliefs and opinions, refusing to modify them or to be open and receptive to others' insights and perspectives.

Your overall outlook on life is serious, and you may feel that life or God will punish you if you do not watch your step!

Uranus in Aries:

You are part of a 7 year group of people who are highly independent, self-reliant, self-willed, and rebellious. You are a rowdy bunch and your generation broke many time-honored traditions and customs. Your age group pioneered many new ideas that remained fashionable for many years; for example, rock 'n' roll was introduced by people of your age group.

Uranus in 2nd house:

You have a reckless, impulsive, or very unconventional attitude toward money, material things, and ownership. Above all, you do not want to be possessed by your possessions. The obligations of owning things are likely to feel oppressive to you.

Also, you may make your money in a field that is unconventional, highly unstable, or very inventive and innovative. Your fortunes are likely to fluctuate widely throughout your life.

Uranus Square Pluto:

You were also born during a period that lasted approximately 5 years and is characterized by extreme restlessness and an impatient, dynamic attitude towards life. You are part of a group of people who can be explosive and even violent in their reactions to situations. You do not tolerate being restricted, and your age group rebels with force and anger against oppressive situations.

Neptune in Pisces:

You are part of a 14 year group of people that are very intuitive, receptive, and imaginative. The arts and music are very important to your age group, and they flourish with your support, talent, and contributions. There is a rich and varied abundance of artistic and musical productivity from your age group.

All manner of religions and psychic investigations grow as well. There is a great interest in ultimate questions and answers and also in phenomena that do not seem to be explicable by scientific concepts. Mysticism is on the rise with your age group. The spiritual qualities of compassion and sacrifice are also highly valued and are more openly honored and respected than by other age groups. Spiritual and emotional sensitivity are so strong that there is a problem of escapism through alcohol and drugs, which is likely to increase during your generation.

Neptune in 1st house:

You are yielding, gentle, and impressionable. You tend to "melt" into your surroundings, and do not make a very powerful, vivid impression on others. Especially while young, you may not have a very clear sense of identity.

Sensitive and compassionate, you do not enjoy fighting and no matter what you profess, you are a pacifist at heart.

Pluto in Capricorn:

You are part of a 15 year group of people who have a very strong practical and realistic attitude towards life. You are an ambitious group also and you work hard to improve business, commerce, and other practical affairs. There always seems to be lots of hard work that needs to be done when your generation comes around, and your generation is ready and willing to do it.

Your age group is marked by its precociousness and seriousness. However, it is also as if you were somehow cut off from many of your inner feelings. There is very little of the "child" in most members of your age group, and you have a much cooler, more detached attitude to life than other age groups. You are mature, but also rather aloof. You are ethical but tend to lack empathy and heart. For many members of your age group, it is as if they were cut off from their deeper, emotional side. Naturally, it is important not to let this tendency become too unbalanced, as it can lead to a harsh, insensitive attitude, and a tendency to become involved in corrupt and unethical practices.

Pluto in 12th house:

You have a deep interest in secrets, the underworld or unconscious, and anything hidden and mysterious. Psychoanalysis, investigating your dreams, and other methods of uncovering secrets are very interesting to you. You may be exceptionally perceptive intuitively or psychically. Your emotions and subconscious energies are complex, and periodic transformations and personal crises are sprinkled liberally throughout your lifetime.
