## Chapter 1: Ceres

### *Ceres in Leo:*

Your parents were really proud of you. This instilled a strong confidence in you. You nurture by demonstrating pride in the object of your desires and showing gratitude and appreciation. You can also show caring by helping them develop their own creativity and greatness. You like to be nurtured by hearing how great and wonderful you are as well. You could work in a position as a master chef, working in the creative arts, or coaching, especially with children.

### *Ceres in 6th house:*

This placement is strong for Ceres, as this house resonates with the archetype. You are very particular about the foods you eat, and may be very sensitive to certain foods, diet is important. You love taking care of small animals, and pets and may have interest in pursuing this as a career, - veterinarian etc. Another avenue for your vocation is the health care industry.

### *Ceres Opposition Moon:*

You have a difficult time trusting your feelings when someone tries to take care of you, or shows you affection. Relationships can be difficult as your nurturing style and their emotional needs are not matching up. You have strong feelings of rejection, or conditional love, based on what you learned from mother. She may have been too busy to nurture you properly, thus you did not learn how to nurture others. This is something you need to work on to integrate emotional fulfillment with your nurturing and caretaking style.

### *Ceres Trine MC:*

There may be challenges in the workplace over issues of not feeling nurtured or taken care of. There can be issues with food, not eating at work or difficult to eat because of work. Your parents food tastes were completely opposite or not what you like. You may have not felt nurtured or cared for in the way you would have liked from parents, it may be that they were too busy with work, or others to pay much attention to you.

## Chapter 2: Pallas

### *Pallas in Taurus:*

You are very creative in the material realms, with a talent for knowing the value of things, You are especially great at financial planning and a budgeting wizard. You are great at making things, from manufacturing to sweaters you are highly perceptive in how to make things. With a natural talent for money planning you know how to earn money and make a living even with just the basics. You would do well in the healing arts such as massage therapy, or hands on healing. Your artistic side is strong.

*Pallas in 2nd house:*

You are excellent with planning your budget, (unless afflicted) and making the most of your spending money. You also are good at seeing how to make money, you have talent in giving advice about money, you would make an excellent financial planner. Inventing and creating is strong with Pallas here.

*Pallas Opposition Sun:*

You have a very ambitious nature and wanting to succeed is paramount to you. You may fear success and can at times sabotage your own fruition of dreams by getting in your own way. There may be conflicts with others about your plan of attack or strategy, this may take some integration time and make sure there are not ego conflicts with others while planning a task. You have a strong sense of competition with others and like the challenge of winning a situation. Mental competition is what you are good at, figuring out the strategy of how to take down the opponent.

*Pallas Opposition Jupiter:*

You have to watch out for superiority complexes as you may have had pessimistic outlook on others that can make you feel a more inflated sense of self-importance. Disapproving of others can be a lack of self-confidence as you are really seeking others approval. This may have been instilled in you as you did not get the positive response from elders that you were seeking. Many disagreements in view point or opinion are indicated. Positive thinking and encouragement of others will change your life dramatically for the better, as you can be a master of the "Law of attraction".

*Pallas Sextile Asc.:*

Many opportunities present themselves to you due to your great foresight and planning abilities. You would make a great planner or developer and are able to invent new strategies and even prototypes. You are always politically correct in your mannerisms and statements, and temperament.

### **Chapter 3: Juno**

*Juno in Capricorn:*

Your partnership needs depend on structure, and security. This may be the reason you marry. Your partner will be ambitious, a bit older, and very career minded. He or she will be climbing the ladder of success which is another item you look for in long term committed relationships. There is a sense of formality and tradition you seek in your relationship.

*Juno in 11th house:*

You will be friends with your significant other, you may have started out that way or been introduced by friends. You may enjoy being with friends as a couple. When someone mentions your name, they automatically think of your partner as well. The two of you spend much time in public, and with groups of people.

#### *Juno Sextile Neptune:*

Your partner will be very romantic, and dreamy in nature, with a strong sense of spirituality. Marriage will be very romantic for you, as you and your spouse seem to tune in to each other almost psychically. You enjoy music and the arts together this is an ideal marriage. Your spouse inspires you in your creativity and spirituality.

#### *Juno Conjunct Pluto:*

You attract rather intense relationship partners, who tend to try to control you. Be careful of manipulative power plays in your committed relationships, trying to control one another is not fun for either party and doesn't give much happiness in the marriage. Marriage for you will certainly be transformative for you, as you learn how to truly share with another individual on this planet. Your marriage will be very deep, giving you lots of soul growth. This aspect indicates that you don't think a relationship or marriage should end until "death do us Part".

### **Chapter 4: Vesta**

#### *Vesta in Libra:*

You are very dedicated and devoted to partnerships. You have high regard for your partner. Co-dependency may be an issue with this placement. Be sure not to forsake your own identity and purpose by giving all to your partner. You like being with your other half and may work with him or her. Keeping harmony is a spiritual calling you hear and respond to. Sexually you can be very accommodating achieving balance and harmony between both of you. There may be role reversal.

#### *Vesta in 8th house:*

You are devoted to deep spiritual transformation; sexuality is one of the ways you do this. You have interest in psychology, karma, and the occult, you dedicate your life to research in the hidden areas, the taboos. By diving in deep you transform your life through catharsis. Sex may be intense with one or with multiple partners. Tantric practices will help your spiritual journey. You have a deep honor of your ancestors and to people who are on the other side. Investing in stocks is also a manifestation of Vesta in this house.

#### *Vesta Conjunct Venus:*

You are very dedicated to the one you love, to the exclusion of all else. This is especially good for committed relationships and marriage. You also love to work, and serve others as a way of truly giving of yourself. You expect the same in treatment of you, and are most likely going to marry for life.

#### *Vesta Opposition Uranus:*

You can seem to be a rebel in many instances, as you like to change up the routine that has been established by others. Conforming to a cause or belief system may be very difficult for you as you are trying to invent new rituals, systems and devoting yourself to new causes. Many see you as strange, and unusual. Relationships can be difficult as it is hard for you to commit, as you want adventure and excitement and don't like routine and

boring stability. Sexually you can be adventurous always looking for something new and exciting.

*Vesta Square Pluto:*

You may have a strange fear or obsession with death. Be sure not to become overly isolated and shut off from the outside world, as it can lead to actual fear of the public or some paranoia. There may be sexual guilt and as a result obsession over it, or a phobia. Learn all you can about sexuality so you do not have those issues in your relationships. Sexual dominance can be a manifestation of this aspect.

## **Chapter 5: Chiron**

*Chiron in Pisces:*

You are keenly intuitive and very imaginative this leads you to a spiritual life. Your biggest concerns really are spiritual in nature, becoming a better person, healing those in need, and tuning yourself to the highest spiritual vibrations. You have interest in the law of attraction, creative visualizations, and will become the master and teacher of these subjects. This placement is good for shamans, reiki masters and psychics.

*Chiron in 1st house:*

With Chiron in the house of your personality and personal life you are very Chiron like, a teacher, trainer, coach, mentor, healer, shaman, guru, and even astrologer. These subjects interest you enough to become one of the archetypes of them. You may have had a wound to your ego, or even your physical body that needs healing and may feel like a lifelong quest that you have had to deal with.

*Chiron Square Saturn:*

Many serious challenges and disciplines have been placed in your path. They were all very serious karmic lessons, that you survived and conquered. What did you learn from these experiences and how did you grow as a result? That is what should be asked and looked at in a positive growing experience type way.
