Chapter 1: How You Approach Life and How You Appear To Others

Aquarius Rising:

Forward-looking and progressive, you are a person who supports change, innovation, and human advancement, and you are often strongly committed to a humanitarian cause or social improvement. You are extremely aware of the interconnection and interdependence of all people, and are always relating personal issues to some larger framework. You see the political or social ramifications of personal actions, and you wish to contribute something of value to the world, or at least to your community or group.

The ideals of equality, fairness, human rights, brotherhood, social justice, etc. color your whole outlook and approach to life. You are truly interested in the good of the whole and not only your own personal well-being.

Sometimes you may overlook or ignore your own and others' personal needs, desires, and feelings, especially if they do not conform to your ideals of how one SHOULD feel or act. Though you have little patience for conservative narrow-mindedness, you yourself are sometimes dogmatic about your beliefs and ideologies.

You are attracted to the avant-garde, the latest advances in human thought and development, and you are eclectic and cosmopolitan in your tastes. You may consider yourself a "global citizen" rather than claiming a narrow, limited identification based on nationality, race, familial heritage, etc. You are strongly influenced by your peer group and the flavor of the times in which you grew up, more so than by parental or family influences. You are involved and active in groups, community efforts, cultural and progressive movements.

On a personal level, you are friendly and express a kind of impersonal good will towards others. You probably have many acquaintances but few really close friends, and much of your closeness with others is based on a sharing of common ideals and principles, rather than on emotional ties. Others see you as a good friend and comrade, who is objective, fair, and rather detached emotionally. You do not often show your emotions, and may be unsure how to respond to others' emotional expression, for you tend to be very rational.

You are also very independent and refuse to be possessed by any individual. You are not comfortable with traditional sexual roles and are inclined to have "liberated" views about marriage, relationships, sharing of child rearing responsibilities, etc. You need to have a life outside of the personal, domestic sphere and to be involved with people on a broader scale. The nurturing of family ties, and close, deep, personal sharing may take a back seat to your work or outside social involvements.

Chapter 2: The Inner You: Your Real Motivation

Sun in Libra:

Harmony and balance are your keynotes. You instinctively understand the need to accommodate other peoples' interests and desires, and you are always fair and willing to meet the other person half way. Tactful, diplomatic, and with considerable social awareness, you do all you can to avoid conflict and discord. You express a spirit of cooperation and compromise and often achieve through charm and discretion what would have been impossible to achieve by a direct, forceful approach.

Getting along with others and pleasing them may be TOO important to you, for you can be too dependent on

others' approval and opinions to make your own decisions. You will rarely act without getting the counsel and feedback of other people. You prefer sharing and doing things together rather than on your own. Being alone feels very unnatural to you, and you have a strong need for a partner and intimate one-to-one relationships.

You invest a great deal of your energy in personal love and you are very idealistic and romantic about marriage. You seek a partner who is your equal intellectually, and who is capable of a mental relationship as well as a physical and emotional one. You make a thoughtful, considerate friend or lover, and you enjoy the traditional symbols of love - courtship, flowers, etc. Relationships are like an art to you, one that requires time, attention, and creative effort. You appreciate a partner who is subtle and polished, never coarse or dull or blunt.

Fairness and equality, both in your personal life and in the world, are extremely important to you. If you fight about anything, it is often about something you feel is unfair and unbalanced. Balance is very important to you and you believe in moderation in all things, avoiding fanaticism and extremism of any sort.

You also have a strong need for beautiful, harmonious surroundings and a natural sense of artistic style and grace, which is reflected in the way you dress, furnish and arrange your home and workspace, etc. Everything must be aesthetically pleasing and appropriate. Either working with people as a counselor, advisor, consultant, or negotiator - or in an artistic field such as design or photography, would be fulfilling to you.

Sun in 8th house:

You crave intense experiences and are attracted to aspects of life that are strange, unfathomable, or taboo. You may hide your interests or inclinations, except from those who know you very intimately. You are rarely content with yourself and your life, and you have an inner urge to be continually going farther or deeper than you ever have before. You also have a strong interest in social power and the role that money and economics play in people's lives.

Sun Conjunct Mercury:

You tend to see things from your perspective only and to be rather subjective. You also enjoy talking and expressing your views but you don't always listen as well. You have a clear mind, a love of learning and new experiences, and need constant mental stimulation and activity.

Sun Square Pluto:

You are intensely willful, zealous, and fanatical, though often you hide the intensity of your feelings and your personal motives and desires. You have an infatuation with power and an almost compulsive desire for personal recognition, the desire to be Somebody. You tend to worship Heroes who have powerful personal magnetism and charisma, and often seek to emulate them. You also have both a fear of, and an intense fascination with, death and the hidden, secret, dark side of life.

Chapter 3: Mental Interests and Abilities

Mercury in Libra:

One of your greatest assets is your ability to see both sides of an issue, and to negotiate and bring about compromise and reconciliation. Tactful, reasonable, and with considerable social finesse, you work well with people in business as well as in personal relationships. You are objective and somewhat detached from emotional bias, and make an excellent consultant, mediator, or public relations person. You insist upon fairness and seek to bring harmony or at least peaceful coexistence between people, and your diplomacy is a benefit in any business or social situation. You also have fine aesthetic sensitivities and could work in an artistic or cultural environment.

Mercury in 8th house:

The mysterious and the unknown fascinate you and you may investigate the supernatural or something that is hidden or taboo. You need to know what is going on behind the scenes. You are also deeply curious about or astute about economic, political, or social power, big business, and the motives and powers behind the social facade.

Mercury Square Pluto:

Never satisfied with the face value of anything, you are always probing beneath the surface for deeper reasons and hidden motives - though you rarely reveal your own. You have a very suspicious, even paranoid, side. Your mind is penetrating and deep and you have an aptitude for research, investigative reporting, or private investigation. You are keenly interested in the deeper aspects of the human psyche, with a sort of "x-ray vision" regarding the inner motivations and intentions of others. You are drawn to anything secret, hidden, or mysterious, and may pursue esoteric or occult studies. You are also a forceful and convincing speaker or writer, with the ability to influence peoples' thinking by the sheer power of your conviction.

Chapter 4: Emotions: Moods, Feelings, Romance

Moon in Taurus:

Even tempered and peace loving, you are not easily ruffled and are rarely given to emotional displays. You have a calming effect on more high-strung or volatile people, and an emotional steadiness that others find soothing. Though gentle and not easily provoked, you are tremendously stubborn and will resist any change which requires an emotional adjustment, such as changes in your home life or marriage.

You seek security and loyalty in love, are extremely devoted to your loved ones, and provide a warm, nurturing atmosphere for them. However, you tend to cling and seek to keep others from changing.

A great deal of physical affection, closeness, and touching is essential to your well-being, and you have a tendency to overindulge in sensual comforts and pleasures. At times you substitute food for emotional comfort and love.

Moon in 4th house:

You have strong attachments to your past, the place where you grew up, your heritage, and family traditions. In fact, you may be unable to step out of the habits and roles you learned as a child. Your tie to your mother is very strong and you also seek mothering and protection from your spouse and other family members as well.

Moon Trine Venus:

You feel that little, daily acts of caring and thoughtfulness are essential to the happiness and success of a relationship and you know how to make others feel accepted, loved, and cherished. You enjoy good relationships with women.

Venus in Virgo:

You are quietly devoted and faithful to your loved ones, and often become a kind of servant to your love partner. You are more comfortable showing love for someone by doing something for them, making something for them, or simply being there for them - rather than telling them so in a romantic, soul-stirring sort of way. You are timid about expressing too much sentiment or emotion. You also underestimate your attractiveness and lovability and doubt your own worthiness to receive love and appreciation.

Venus in 8th house:

You crave very intense, deep, emotional relationships, and would even prefer a stormy, tumultuous relationship to one which is smooth but lacking vitality and passion. You love wholeheartedly and expect all-consuming, total devotion and attention from your partner. Casual, light relationships hold no appeal for you.

Venus Conjunct Mars:

You are extremely amorous and it is difficult for you to go without a romantic involvement for very long. When you are attracted to someone, you pursue them very ardently and sometimes come on too strong. Doing creative work or artistic work can also satisfy the very strong desire for love and beauty that you feel.

Venus Square Saturn:

You are serious and find it difficult to enjoy yourself in a lighthearted, open and playful way with others. You rarely do something purely for pleasure, and can be very close-fisted and parsimonious. Perhaps due to painful separations in your early life, you are very cautious about becoming close to people and sharing your feelings. Though you crave love and affection, intimacy is difficult for you. You may become romantically involved with people who do not value you or treat you well. You need to learn to love and value yourself before you will find happiness in love.

Chapter 5: Drive and Ambition: How You Achieve Your Goals

Mars in Virgo:

You are a perfectionist and have high standards for your own work. You often feel that if you want something done right you must do it yourself, for others do not do as thorough a job as you do. Doing a task well is very important to you, and you may labor over minute details that others wouldn't bother with. You strive for accuracy, efficiency, and precision, and you become very irritable when things are not done "right".

On the other hand, you can become so much of a perfectionist and so self-critical that you will not even attempt many activities and projects, feeling that your efforts simply won't be good enough. You are usually modest and realistic in assessing what you can accomplish and, if anything, you underestimate yourself. Of course, practice makes perfect, and if you do apply yourself diligently in some area, you gradually gain self-confidence as you master skills and develop expertise.

You conserve your energy and pace yourself so that you do not waste or diffuse your efforts. An unwillingness to take risks or venture from the beaten track can sometimes limit your opportunities. In short, you may not aim high enough and settle for too little in life.

Mars in 7th house:

You are attracted to feisty, dynamic, strong-willed people, and you seem to need a lot of fireworks in your personal relationships. You can be very combative, or get involved with people who are. Ideally you will join with people who are energetic and ambitious, but not too domineering or aggressive.

Mars Square Saturn:

You work hard and patiently to achieve your objectives, persevering and continuing on in spite of difficulties and discouragement. Concentrating on a single, clearly defined goal, you are able to accomplish much, but you often feel that the way is long and arduous, and that you must struggle on alone, that it's all on your shoulders.

You are capable of great self-control and self-denial and can be a hard task master, expecting far too much of yourself. You also tend to hold yourself back, to doubt your own power and ability. You feel that you meet with great resistance whenever you try to assert yourself or take initiative. Anger and frustration can be big problems for you, especially when you try to work with other people or depend too much on others for support. You work best in solitude.

Mars Trine Pluto:

You have a strong sense of mission and you instinctively know that to achieve anything great, one must eliminate superfluous activities, and give oneself wholly to the goal one wishes to accomplish. Your zeal, enthusiasm, and clarity of purpose enable you to succeed and to achieve whatever you aim for. You have a strong will, but you are usually quiet and understated about it.

Chapter 6: Other Influences

Jupiter in Libra:

Your strengths lie in your ability to cooperate, to be diplomatic, and to know just what behavior is called for in whatever social situation you find yourself. You also possess a strong sense of fairness, the willingness to listen to opposing viewpoints and opinions, and the ability to be (or at least seem to be) impartial and moderate, rather than extreme and one-sided.

Jupiter in 9th house:

You are very open-minded and deeply curious about distant places and ways of thinking and living that are different from your own. The urge to travel widely and to experience as much of the world as possible is very strong in you. The study of philosophy or religion also interests you a great deal. You benefit from your contact with other cultures, and you may be involved in linking those who are far apart geographically or philosophically.

Jupiter Opposition Uranus:

Your gaiety, enthusiasm, optimism, and a positive, energetic, upbeat attitude generate a lot of opportunities for you. You enjoy being spontaneous and taking risks. You must have a great deal of personal freedom and independence, and prefer the "wide-open spaces" to a very rigid, structured lifestyle. Your sense of humor and playfulness enable you to make it through the rough spots in life, as well as to bounce back when those gambles you make do not quite pan out. You enjoy surprises and exploring new territory, both intellectually as well as physically.

Saturn in Sagittarius:

You have a critical, cynical attitude towards many religions and philosophies. Without realizing it, you prevent yourself from appreciating new viewpoints and attitudes. You are more rigid and dogmatic than you realize. Your approach may also be too intellectual or moralistic. You take your own political beliefs and spiritual philosophy very seriously, worrying and fretting if you are not 100% clear about some ideology or theory.

Saturn in 11th house:

You are generally not a "joiner" and do not feel comfortable in clubs, organizations or other groups of people that are centered around some common ideal or interest. If you do participate in a group, you may find the rules and procedures restrictive - or you may simply feel that you do not fit in with the others.

Being alone or with older, more experienced people suits you better than being with groups of your own peers.

Saturn Trine Uranus:

You have a talent and ability for putting fresh ideas and inspiration into practice. You are ready and willing to utilize new ideas and methods, and you have a knack for gaining acceptance for a new idea and practically implementing it.

Uranus in Aries:

You are part of a 7 year group of people who are highly independent, self-reliant, self-willed, and rebellious. You are a rowdy bunch and your generation broke many time-honored traditions and customs. Your age group pioneered many new ideas that remained fashionable for many years; for example, rock 'n' roll was introduced by people of your age group.

Uranus in 2nd house:

You have a reckless, impulsive, or very unconventional attitude toward money, material things, and ownership. Above all, you do not want to be possessed by your possessions. The obligations of owning things are likely to feel oppressive to you.

Also, you may make your money in a field that is unconventional, highly unstable, or very inventive and innovative. Your fortunes are likely to fluctuate widely throughout your life.

Neptune in Pisces:

You are part of a 14 year group of people that are very intuitive, receptive, and imaginative. The arts and music are very important to your age group, and they flourish with your support, talent, and contributions. There is a rich and varied abundance of artistic and musical productivity from your age group.

All manner of religions and psychic investigations grow as well. There is a great interest in ultimate questions and answers and also in phenomena that do not seem to be explicable by scientific concepts. Mysticism is on the rise with your age group. The spiritual qualities of compassion and sacrifice are also highly valued and are more openly honored and respected than by other age groups. Spiritual and emotional sensitivity are so strong that there is a problem of escapism through alcohol and drugs, which is likely to increase during your generation.

Neptune in 1st house:

You are yielding, gentle, and impressionable. You tend to "melt" into your surroundings, and do not make a very powerful, vivid impression on others. Especially while young, you may not have a very clear sense of identity.

Sensitive and compassionate, you do not enjoy fighting and no matter what you profess, you are a pacifist at heart.

Pluto in Capricorn:

You are part of a 15 year group of people who have a very strong practical and realistic attitude towards life. You are an ambitious group also and you work hard to improve business, commerce, and other practical affairs. There always seems to be lots of hard work that needs to be done when your generation comes around, and your generation is ready and willing to do it.

Your age group is marked by its precociousness and seriousness. However, it is also as if you were somehow cut off from many of your inner feelings. There is very little of the "child" in most members of your age group, and you have a much cooler, more detached attitude to life than other age groups. You are mature, but also rather aloof. You are ethical but tend to lack empathy and heart. For many members of your age group, it is as if

they were cut off from their deeper, emotional side. Naturally, it is important not to let this tendency become too unbalanced, as it can lead to a harsh, insensitive attitude, and a tendency to become involved in corrupt and unethical practices.

Pluto in 12th house:

You have a deep interest in secrets, the underworld or unconscious, and anything hidden and mysterious. Psychoanalysis, investigating your dreams, and other methods of uncovering secrets are very interesting to you. You may be exceptionally perceptive intuitively or psychically. Your emotions and subconscious energies are complex, and periodic transformations and personal crises are sprinkled liberally throughout your lifetime.
